

Hello Everyone

Please do share the following dates widely with your church / organisation / community.

Thank you

Kintsugi Hope Wellbeing Course starting 16th April 7.30pm St Barnabas Centre

Discovering
treasure
in life's scars

Kintsugi 金継ぎ is a Japanese technique for repairing pottery with seams of gold.

It is with the same respect for the brokenness that we journey with each other towards a world where mental and emotional health is understood and accepted, with safe and supportive communities for everyone to grow and flourish.

This gentle course encourages us to look after our own mental health and wellbeing, and to care for others who may be struggling. The 12 week course looks at themes such as anxiety, depression, loss, self-acceptance, healthy relationships, and resilience. Each session starts with refreshments, followed by opportunities to discuss and reflect on our experiences, building a toolkit for future support. The course is free, and open to everyone, Christian and non-Christian. The first week is a 'taster session'. Do sign up if you are interested, and pass the details on to others.

Please see attached.

This year, the Baptist Church will be organising the Carnival entry and the Community Church will host a corner of the Funday Field. These will be the only centrally organised events. The rest of the activities that take place during the week prior to, and on, Saturday 20th June are in the hands of *your* church's passion and imagination.

I very much welcome the individual Church Projects such as St Michael's going to the Skate Ramp with hot dogs, Methodist, Baptists and Hockerill fellowship supplying free teas and coffees and the many different ways in which Churches Together have reached out and blessed the residents of our town.

If you would like me to visit and discuss the vision and practicalities of Love Stortford, please do let John Barfoot know. Also, please let me know if you would like to set up a project which you would like other churches to join in with. john@barfoot.org
